The Organizing Committee of **Expo Seguridad México and SIA Education** appreciates your interest in participating in this call for papers. Please consider the following:

- All proposals will be reviewed by the Organizing Committee and the Education Advisory Board, composed of industry security experts. Relevance, timeliness, innovation, practical focus, and overall quality are key evaluation criteria.
- Proposals must not include any sales-oriented content. Presentations should be educational, innovative, focused on industry trends, and supported by best-practice examples.
- The proposed presentation must not have been delivered at any previous forum or event.
- During the first week of March 2027, applicants will receive an email from SIA and RX informing them whether their proposal has been selected.
- If the proposal is selected, the speaker agrees to cover all expenses related to travel, accommodation, and meals required for participation in the event.

As a **SIA Education@ESM Speaker**, You Will:

- Receive complimentary access to the ESM 2027 exhibition floor and all SIA Education@ESM 2027 sessions.
- Gain personal and professional recognition for yourself and your organization at the leading security industry conference and exhibition.
- Contribute to the professional development and knowledge enhancement of industry peers.
